

Saving the World... one pure meal at a time!

Food for Life Global is the headquarters for the world's largest vegan food relief organization. Our affiliates have served more than 600 million meals worldwide since 1974 and currently serve over 1 million freshly cooked meals daily! Our services include a school for the poorest children in India, free medical services, sanctuaries for cows, sustainable farming projects, orphanages, women empowerment programs, nutrition education, disaster relief services and a network of veg food distribution outlets in over 50 countries.
